

Mater Christi Parishioners,

Thank you to all who attended the Mater Christi Town Hall #2 meetings either virtually on Zoom last Thursday night or last Saturday morning in the church. The Mater Christi Renew My Church Team values the many feedback of those in attendance and will present these at the next GFDT grouping meeting on Wednesday, November 4.

In the past month, the initial draft was released of the possible scenarios for the future of Mater Christi Parish and the three additional parishes in our grouping. Furthermore, the Mater Christi Renew My Church Team met with all involved parishes to discuss initial strengths and weaknesses of each plan and completed touring all of the parishes in our grouping.

If you have additional questions or comments, please continue to use the feedback box located at the back of the church, email them to businessoffice@materchristichurch.com, or any of the listed Mater Christi Renew My Church Team members...

We will continue to update with information as quickly as we can through Town Halls, our website, the bulletins, and our Facebook page. Similarly, Fr. Matt will continue to update parishioners during Mass, which can be viewed online.

Finally, please keep the Renew My Church Team, the Parishioners of Mater Christi, the parishes of our grouping, and the Church as a whole in your prayers as we continue to discern the path to creating an even stronger church community at the conclusion of the Renew My Church process.

Faithfully yours,
The Mater Christi Renew My Church Team
